Conditions of participation UserDays 2018

Participation requirement is the current version of easyRAUMpro. For the UserDays, we will gladly provide you with a 7-day trial version and help you with the installation before the UserDays. We ask for your understanding that due to time constraints we do not carry out any more installations ourselves on the UserDay.

Participation for customers with a current 5-Star-contract is free. You can register one participant for each 5 Star contract and license.

Subscriptions and cancellations are binding and can only be accepted in writing. Registrations are binding even without our confirmation and can be cancelled in writing up to 10 work days before the event. Should cancellation be made in short term, a cancellation fee of 50% will be charged up to 3 days in advance, 100% per person in case of cancellation within 72 hours prior to the UserDays.

The participation model is valid for

5-Star-Clients (Get Together: 35,00 €, Catering Fee UserDay: 50,00 €)

as well as for

Customers without a 5-Star-contract (Get Together: 35,00 €, UserDays: 150,00 €).

We look forward to seeing you there!

Your easyRAUM team
